

Special Consideration: Unavoidable Personal Circumstances *(for Assignment work only)*

1. The Student must apply no later than two weeks after the due date of the assignment.
2. The student sends the form to the **Programme Leader**¹. The **Programme Leader** considers eligibility by looking at the evidence in support of the application (e.g. doctors certificate, counsellor's letter). If evidence cannot be sourced, then the student provides a written statement on the application form that outlines their eligibility. This form is not shared with the **Course Co-ordinator** or **Lecturer**.
3. The **Programme Leader** communicates the outcome of the application to the student within 5 days of submission, and if the application is approved advises the students that they will be contacted by the **Course Co-ordinator**.
4. If the application is approved the **Programme Leader** liaises with the **Course Co-ordinator** to determine the course work option (see below).
5. The **Course Co-ordinator** informs the student of the coursework option to be applied (copying in the **Programme Leader**), and ensures Canvas is updated to reflect any change.
6. The **Programme Leader** electronically files all relevant documentation.
7. If the decision is made prior to submission of grades, no further action required. If the decision is made after submission of grades, an AS58 is required.
