Consultation on University Governance

The Education Amendment Bill No.2, which will amend the composition of university councils, passed into legislation earlier this year. The University of Auckland Council at its meeting on 2 March resolved to consult with the University community on the appropriate composition of Council. Alumni and friends are encouraged to make a written submission on the composition of Council consistent with the legislation. Details about the legislation, and the submission process [can be found on the University website](#).

Internships and Work Experience Support

Are you interested in supporting students to become work ready? Career Development and Employment Services (CDES) is piloting a PhD internship and work related programmes. CDES would like to hear from Alumni that are willing to support students to gain experience in the work place. Please contact Faith Pallant f.pallant@auckland.ac.nz.

Alumni Scholars welcomed

The 2015 cohort of Alumni Scholars was recently welcomed by the Alumni Relations and Development Office. The students had the opportunity to get to know each other as they chatted about their first month at the University over a slice of pizza.

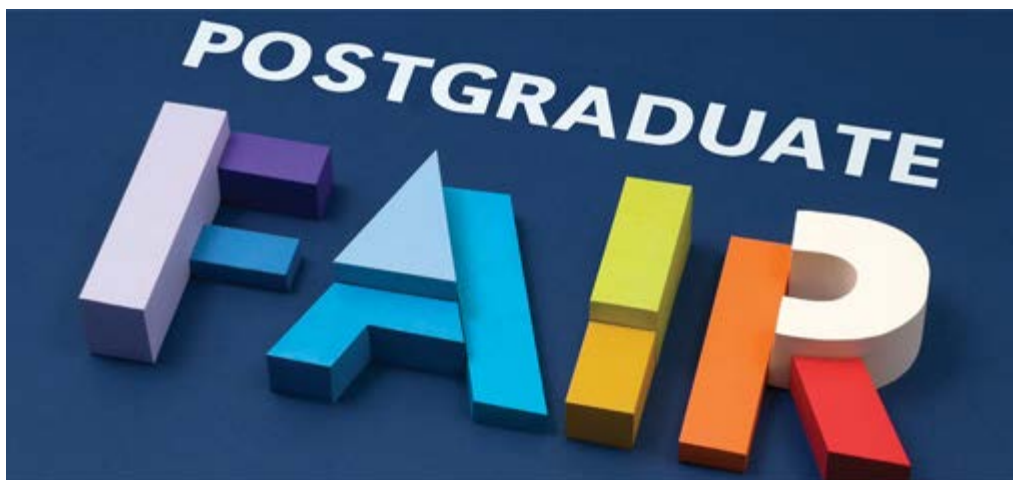

Read more to find out how you can assist students entering the University from school who, because of financial hardship, may not otherwise be able to undertake a university degree.
