General Education Regulations

The new Faculty of Arts and Education and the expanded Faculty of Engineering and Design were established on 1 January 2025. These regulations/schedules reflect the previous faculty names in existence in 2024. The information relating to individual programmes and courses has not changed and is correct.

- 1 Students required to include General Education in their programme must pass courses as specified in the General Education Regulations and Schedules for their programme.
- 2
 - a A student will not meet the General Education requirement for their programme if they complete a General Education course with the same subject code as any non-General Education course they have previously passed, or are already enrolled in.

Where appropriate the student may be able to use previously completed General Education course(s) to meet another degree requirement. This regulation does not apply to the following courses

 - (ii) EDUC 100G for students enrolled in the BEd(Tchg).
