

## SciTrack Test Environment Log-in

You need a 'Test' University (Single Sign-On) password to access the SciTrack Test Environment, and Test Two Factor Authentication.

- **Please note, this will not change your usual University password.**

### Reset your Test password

There are two ways you can reset the Test password.

#### **Option 1**

- 1) Click on the Test identity management Link: <https://iam.test.auckland.ac.nz/identity>
- 2) Click "I've forgotten my password":

- 3) Follow the instructions to reset your password. If you have trouble with receiving your verification code, please use Option 2 below.

#### **Option 2**

Call the Staff Service Centre on 86000 and ask to get your **Test** password reset.

**Please make sure to remember your password!**

### Set up Two Factor Authentication for the Test system

Please go to <https://mytoken.test.auckland.ac.nz/> to set up two factor authentication for the Test system. For assistance, please call the Staff Service Centre on 86000.

### Test your SciTrack Test access

Once you have your new password and TFA, try logging into SciTrack Test by clicking the **SciTrack test login** link on this page:

<https://www.auckland.ac.nz/en/health-safety-wellbeing/health-safety-topics/laboratory-safety/scitrack/getting-started.html>

If you get taken to a screen that says 'unknown user', or you can't log in, please email [scitrack@auckland.ac.nz](mailto:scitrack@auckland.ac.nz) and we can provide you with access.
