- (i) This conjoint plan allows students to complete the degree program in five years, but this involves a heavier-than-normal workload in four of those years. There is no requirement to finish within the minimum timeframe; students may choose to enrol for a more manageable load by extending their study period to five years plus one semester (or longer).
- (ii) A BE(Hons)/LLB conjoint degree meets the requirements of two professional bodies. Students should expect the program to take six years and are advised to consult with Student Hubs for guidance.
- (iii) In Year 2 and Year 3, the order of LAW 201-241 can be varied. This diagram shows just one possible arrangement.
- (iv) Students wishing to participate in a 60-point or 120-point Law Exchange in their final year may need to rearrange their degree structure and consider taking courses during Summer School.
