What am I searching in the Catalogue?

- **Library Catalogue** searches for resources held in our library: **books, journals, images, audio-visual content, maps, music scores and exam papers.**
- **Articles and more** searches for resources from a vast number of journal publishers and databases.
- **Search all** searches for resources held in our library plus articles from a vast number of journals and databases.

Keyword searching

- Type **keywords** from book titles, authors, subjects or article titles.
- Select **Library Catalogue, Articles and more, or Search All** from the drop-down list.

Looking for a book or journal title

- Type the title in **as a phrase** using quotation marks.

4

Viewing results

1. **Refine your results** using filters to see what is available in different formats, locations and publication dates.
2. **Lock a filter** so it persists in your current session.
3. Use filters to **exclude items**.
4. Use the quick action links to **email or pin** (save) an item.
5. **Click a title** to view the full record and access the full range of action options.

The screenshot shows the University of Auckland library catalogue search results for the query "bryder tuberculosis". The interface includes a top navigation bar with "Search all", "Databases", "Journals", "Collection discovery", "Browse", and "Catalogue help". The search bar contains the query "bryder tuberculosis" and shows "0 selected", "PAGE 1", and "113 Results".

On the left side, there is a sidebar for refining results. It includes an "Active filters" section with a "Peer-reviewed Journals" filter that is locked (indicated by a lock icon and a red circle with the number 2). Other filters include "Remember all filters" and "Reset filters". Below this is a "Refine your results" section with an "Expand beyond library collections" toggle. The "Sort by" section is set to "Relevance". The "Availability" section has "Full Text Online" and "Open Access" (highlighted with a red circle and the number 3). The "Date" section shows a range from 1984 to 2016. The "Format" section shows counts for Articles (41), Book Chapters (3), and Books (6). The "Subject" section lists categories like Arts & Humanities (26), History (25), Tuberculosis (17), and Life Sciences & Biomedicine (13). The "Library" and "Author/Contributor" sections are also visible.

The search results on the right are numbered 1 through 6. Item 1 is an article titled "Pioneers in medicine and their impact on tuberculosis" by Linda Bryder, with quick action links for email and pin (highlighted with a red circle and the number 4). Item 2 is a book titled "Below the magic mountain : a social history of tuberculosis in twentieth-century Britain" by Linda Bryder, with a red circle and the number 5 highlighting the title link. Item 3 is an article titled "Tuberculosis Then and Now: Perspectives on the History of an Infectious Disease" edited by Linda Bryder, Flurin Condrau, and Michael Worboys. Item 4 is a book titled "A Healthy country : essays on the social history of medicine in New Zealand" by Linda Bryder. Item 5 is a book titled "Tuberculosis then and now : perspectives on the history of an infectious disease" edited by Linda Bryder. Item 6 is an article titled "Discovering Tuberculosis: A Global History, 1900 to the Present" by Linda Bryder.
