

[illegible]

Organisation	Level	Booth number	Days attending	Faculties / areas of interest			What type of work are you recruiting for?	Closing date/s for 2025 programmes	Are int'l students eligible for opportunities at your org?
				Engineering (and Design)	Technology	Other Faculties / majors and subject areas			
MSC Consulting Group Limited	3	54	Both days	Civil Engineering, Structural Engineering	None	.	Internships, Graduate roles	We recruit all year round	Yes
NDY	4	Pop-up 1	Day 1 - 29 April	Structural Engineering, Electrical and Electronic Engineering, Mechanical Engineering, Mechatronics Engineering	None	N/A	Internships, Graduate roles	April	No
New Zealand Defence Force	4	17	Both days	Chemical and Materials Engineering, Engineering Science, Computer Systems Engineering, Electrical and Electronic Engineering, Software Engineering, Mechanical Engineering, Mechatronics Engineering	Computer Science, Data Science, Geographic Information Science, Information Systems, Logic and Computation, Physics	Most majors are considered. Specific majors or degrees may be required to be accepted for certain roles.	Internships, Graduate roles	We recruit all year round	No
NPDL	3	24	Both days	Computer Systems Engineering, Electrical and Electronic Engineering, Software Engineering, Mechanical Engineering, Mechatronics Engineering	Business Analytics, Computer Science, Data Science, Information Systems, Logic and Computation	Business School	We will not be recruiting at the expo	We recruit all year round	No
NZTA Waka Kotahi	4	2	Day 1 - 29 April	Civil Engineering, Structural Engineering, Electrical and Electronic Engineering, Software Engineering	Data Science, Geographic Information Science	Property , Environment Planning, Law	Graduate roles	April	Yes
Optiver	3	34	Both days	All	All	Maths, Business and Economics, Science	Internships, Graduate roles	We are not sure yet, June	No
Pattle Delamore Partners	4	8	Day 1 - 29 April	Chemical and Materials Engineering, Civil Engineering	Geographic Information Science	Environmental Science, Geology, Engineering Geology, Ecology, Hydrogeology	Internships, Graduate roles	We are not sure yet	Yes
Powerco	3	41	Both days	Electrical and Electronic Engineering, Mechatronics Engineering	None	N/A	Internships, Graduate roles	We recruit all year round	Yes
PwC	4	18	Day 1 - 29 April	Engineering Science, Computer Systems Engineering, Software Engineering	Business Analytics, Computer Science, Data Science, Information Systems, Innovation and Entrepreneurship	Arts, Business & Economics, Law, Science	Internships, Graduate roles	We are not sure yet	Yes
Richard Consulting Engineers	3	39	Both days	Civil Engineering, Structural Engineering	None	n/a	Graduate roles	We recruit all year round	No
Riley	3	38	Both days	Civil Engineering	None	Science	Graduate roles	April, May	Yes
Robert Bird Group	4	Pop-up 2	Day 1 - 29 April	Civil Engineering, Structural Engineering	None	N/A	Internships, Graduate roles	We recruit all year round	Yes
Sandfield	3	31	Both days	Computer Systems Engineering, Software Engineering	Computer Science, Information Systems	NA	Internships	We recruit all year round	Yes
Silvester Clark Ltd	3	44	Both days	Structural Engineering	None	Seismic engineering and earthquake resilience Building design and construction Industrial structures (e.g., dairy and meat processing facilities) Sustainable and innovative materials	Internships, Graduate roles	We recruit all year round, We are not sure yet	Yes
Stantec New Zealand	3	27	Both days	Chemical and Materials Engineering, Civil Engineering, Structural Engineering, Engineering Science, Computer Systems Engineering, Electrical and Electronic Engineering, Mechanical Engineering	Computer Science, Data Science, Geographic Information Science	Science	Internships, Graduate roles	We are not sure yet	No
Susquehanna	3	32	Both days	Software Engineering	Computer Science, Physics	Mathematics, Statistics, Business & Economics, Science	Internships, Graduate roles	January, February, March, April, May, June	No
Tetra Pak New Zealand Ltd	3	40	Both days	Chemical and Materials Engineering, Electrical and Electronic Engineering, Mechanical Engineering, Mechatronics Engineering	None	Process Engineering	Internships, Graduate roles	June, July	No
Transpower	3	25	Both days	Civil Engineering, Electrical and Electronic Engineering, Mechanical Engineering, Mechatronics Engineering	Business Analytics, Computer Science, Data Science, Innovation and Entrepreneurship	All	Internships, Graduate roles	March	No
Trimble	3	28	Both days	Civil Engineering, Structural Engineering, Engineering Science, Computer Systems Engineering, Electrical and Electronic Engineering, Software Engineering, Mechanical Engineering, Mechatronics Engineering	Business Analytics, Computer Science, Data Science, Design, Geographic Information Science, Information Systems, Innovation and Entrepreneurship, Logic and Computation	Geography, Geology, Architecture, Science	Internships, Graduate roles	We recruit all year round	Yes
The University of Auckland - IT Intern and Graduate Programme	4	14	Both days	Computer Systems Engineering, Software Engineering	Computer Science, Design, Information Systems	All IT related subjects, Science	Internships, Graduate roles	We are not sure yet	Yes
Waipapa Raukura Rau - Māori Graduate Programme	4	Pop-up 7	Both days	All Engineering	All: Business Analytics, Computer Science, Data Science, Design, Geographic Information Science, Green Chemical Science, Information Systems, Innovation and Entrepreneurship, Logic and Computation, Physics	Multi discipline	Graduate roles	June, July	No
		Booth		Faculties / areas of interest			What type of work are	Closing date/s for	Are int'l students

Organisation	Level	Booth number	Days attending	Engineering (and Design)	Technology	Other Faculties / majors and subject areas	What type of work are you recruiting for?	Closing dates for 2025 programmes	eligible for opportunities at your org?
VivCourt Trading	3	35	Both days	All	Computer Science, Data Science	Science	Internships, Graduate roles	We are not sure yet	No
Watercare	3	47	Both days	Chemical and Materials Engineering, Civil Engineering, Structural Engineering, Engineering Science, Electrical and Electronic Engineering, Mechanical Engineering	Data Science	Environmental Engineering. Most sciences.	Internships, Graduate roles	July	Yes
Windcave	3	29	Both days	Civil Engineering, Structural Engineering, Engineering Science, Computer Systems Engineering, Electrical and Electronic Engineering, Software Engineering, Mechanical Engineering, Mechatronics Engineering	Business Analytics, Computer Science, Design, Information Systems, Logic and Computation, Physics	Business, Accounting, Economics, Legal, Science	Internships, Graduate roles	We recruit all year round	Yes
Woods (Wood & Partners Consultants Ltd)	3	37	Both days	Civil Engineering	Geographic Information Science	N/A	Internships, Graduate roles	We recruit all year round	Yes
WSP	3	46	Both days	Chemical and Materials Engineering, Civil Engineering, Structural Engineering, Engineering Science, Electrical and Electronic Engineering, Mechanical Engineering, Mechatronics Engineering	Geographic Information Science	Architecture, Economics, Property, Ecology, Environmental Science, Geography, Urban Design and Planning, Geology	Internships, Graduate roles	We are not sure yet	Yes

Organisation	Level	Booth number	Days Attending	Faculties / areas of interest			What type of work are you recruiting for?	Closing date/s for 2025 programmes	Are int'l students eligible for opportunities at your org?
				Engineering	Technology	Other Faculties / majors and subject areas			
Fisher & Paykel Healthcare	3	43	Both days	Chemical and Materials Engineering, Biomedical Engineering, Electrical and Electronic Engineering, Mechanical Engineering, Mechatronics Engineering	None	N/A	Internships, Graduate roles	April, May, July, August	Yes
Fletcher Construction	4	Pop-up 1	Day 2 - 30 April	Civil Engineering, Structural Engineering, Engineering Science	All: Business Analytics, Computer Science, Data Science, Design, Geographic Information Science, Green Chemical Science, Information Systems, Innovation and Entrepreneurship, Logic and Computation, Physics	Bachelor of Engineering Civil Engineering	We will not be recruiting at the expo	July	No
Framecad	4	5	Day 2 - 30 April	Civil Engineering, Structural Engineering, Engineering Science, Computer Systems Engineering, Electrical and Electronic Engineering, Software Engineering, Mechanical Engineering, Mechatronics Engineering	Computer Science	N/A	Internships	We are not sure yet	Yes
Fulbright New Zealand	4	22	Day 2 - 30 April	All Engineering	All: Business Analytics, Computer Science, Data Science, Design, Geographic Information Science, Green Chemical Science, Information Systems, Innovation and Entrepreneurship, Logic and Computation, Physics	All	We will not be recruiting at the expo	March, August, October	No
Fulton Hogan Limited	3	49	Both days	Civil Engineering, Software Engineering	Computer Science, Data Science, Information Systems	Accounting	Internships, Graduate roles	March, April, May, August	No
Henry Schein One	4	6	Day 2 - 30 April	Engineering Science, Computer Systems Engineering, Software Engineering, Mechatronics Engineering	Computer Science, Data Science, Design	N/A	Internships, Graduate roles	We are not sure yet	Yes
Holmes ANZ	4	8	Day 2 - 30 April	Civil Engineering, Computer Systems Engineering, Software Engineering	Computer Science, Information Systems	n/a	Internships, Graduate roles	July, November	Yes
IMC Trading (Financial Markets)	3	33	Both days	Engineering Science, Biomedical Engineering, Computer Systems Engineering, Electrical and Electronic Engineering, Software Engineering, Mechanical Engineering, Mechatronics Engineering	Business Analytics, Computer Science, Data Science, Information Systems, Logic and Computation, Physics	Business & Economics, Science	Internships	February, March, April, May	Yes
Jacobs	4	9	Day 2 - 30 April	All Engineering	All: Business Analytics, Computer Science, Data Science, Design, Geographic Information Science, Green Chemical Science, Information Systems, Innovation and Entrepreneurship, Logic and Computation, Physics	TBD	We will not be recruiting at the expo	March, April, May, June, July, August	Yes
Jane Street	4	23	Both days	All Engineering	All: Business Analytics, Computer Science, Data Science, Design, Geographic Information Science, Green Chemical Science, Information Systems, Innovation and Entrepreneurship, Logic and Computation, Physics	Faculty of Business and Economics, Faculty of Medical and Health Science, Faculty of Science	Internships, Graduate roles	May	Yes
Keystone Trust	4	Pop-up 6	Both days	Civil Engineering, Computer Systems Engineering, Electrical and Electronic Engineering	None	Architecture , Engineering, Building Science, Construction, Property/Law, BCom/BProp	Internships	June, July, August	No
KiwiRail	3	Pop-up 9	Both days	Civil Engineering, Structural Engineering, Computer Systems Engineering, Electrical and Electronic Engineering, Software Engineering, Mechanical Engineering, Mechatronics Engineering	Business Analytics, Computer Science, Data Science, Information Systems	Business & Economics, Law	Internships, Graduate roles	March, April, May, June, July	No
Klohn Crippen Berger (KCB)	4	3	Day 2 - 30 April	Civil Engineering, Structural Engineering, Engineering Science, Mechanical Engineering	Geographic Information Science	Engineering Geology Geotechnical Engineering Civil Engineering Earth Science Enviornmental Science Geographic Information Science	Graduate roles	We are not sure yet	Yes
Magnetism Solutions Limited	4	Pop-up 5	Day 2 - 30 April	Software Engineering	Business Analytics, Computer Science, Data Science, Information Systems, Logic and Computation	N/A	Internships, Graduate roles	We recruit all year round	Yes
Maven	3	42	Both days	Civil Engineering	None	Science, Urban Planning,	Internships, Graduate roles	We recruit all year round	Yes
Melville Jessup Weaver	4	Pop-up 4	Both days	Computer Systems Engineering, Software Engineering	Business Analytics, Computer Science, Data Science, Geographic Information Science, Information Systems, Innovation and Entrepreneurship, Logic and Computation, Physics	Mathematics, Statistics, Econometrics, Data Science, Business & Economics	Internships, Graduate roles	We recruit all year round	No
Methanex NZ Ltd.	4	2	Day 2 - 30 April	Chemical and Materials Engineering, Electrical and Electronic Engineering, Mechanical Engineering, Mechatronics Engineering	Green Chemical Science, Information Systems	N/A	Graduate roles	May	No

Organisation	Level	Booth number	Days Attending	Faculties / areas of interest			What type of work are you recruiting for?	Closing date/s for 2025 programmes	Are int'l students eligible for opportunities at your org?
				Engineering	Technology	Other Faculties / majors and subject areas			
MSC Consulting Group Limited	3	54	Both days	Civil Engineering, Structural Engineering	None	.	Internships, Graduate roles	We recruit all year round	Yes
New Zealand Defence Force	4	17	Both days	Chemical and Materials Engineering, Engineering Science, Computer Systems Engineering, Electrical and Electronic Engineering, Software Engineering, Mechanical Engineering, Mechatronics Engineering	Computer Science, Data Science, Geographic Information Science, Information Systems, Logic and Computation, Physics	Most majors are considered. Specific majors or degrees may be required to be accepted for certain roles.	Internships, Graduate roles	We recruit all year round	No
New Zealand Steel	4	10	Day 2 - 30 April	Chemical and Materials Engineering, Electrical and Electronic Engineering, Mechanical Engineering, Mechatronics Engineering	Data Science, Information Systems	N/A	Internships, Graduate roles	July	No
NPDL	3	24	Both days	Computer Systems Engineering, Electrical and Electronic Engineering, Software Engineering, Mechanical Engineering, Mechatronics Engineering	Business Analytics, Computer Science, Data Science, Information Systems, Logic and Computation	Business School	We will not be recruiting at the expo	We recruit all year round	No
Omexom NZ	4	16	Day 2 - 30 April	Engineering Science, Computer Systems Engineering, Electrical and Electronic Engineering, Software Engineering	Business Analytics, Computer Science, Data Science, Information Systems	Engineering and construction, Technology and innovation ,Science	Internships, Graduate roles, We will not be recruiting at the expo	We are not sure yet	Yes
OpenStar Technologies	4	18	Day 2 - 30 April	All Engineering	Computer Science, Logic and Computation, Physics	All engineering, physics, maths, computer science	Internships, Graduate roles	We recruit all year round	Yes
Optiver	3	34	Both days	All Engineering	All: Business Analytics, Computer Science, Data Science, Design, Geographic Information Science, Green Chemical Science, Information Systems, Innovation and Entrepreneurship, Logic and Computation, Physics	Maths, Business & Economics, All Science	Internships, Graduate roles	We are not sure yet, June	No
Powerco	3	41	Both days	Electrical and Electronic Engineering, Mechatronics Engineering	None	N/A	Internships, Graduate roles	We recruit all year round	Yes
Richard Consulting Engineers	3	39	Both days	Civil Engineering, Structural Engineering	None	n/a	Graduate roles	We recruit all year round	No
Riley	3	38	Both days	Civil Engineering	None	Science	Graduate roles	April, May	Yes
Rio Tinto New Zealand Aluminium Smelters	4	11	Day 2 - 30 April	Chemical and Materials Engineering, Civil Engineering, Electrical and Electronic Engineering, Mechanical Engineering, Mechatronics Engineering	Data Science, Green Chemical Science, Logic and Computation	Engineering Mechanical Engineering Automation / Mechatronics / I&C Systems Engineering Process / Chemical / Metallurgy Engineering Civil Engineering Electrical	Internships, Graduate roles	January, February, March, April, November, December	Yes
Sandfield	3	31	Both days	Computer Systems Engineering, Software Engineering	Computer Science, Information Systems	NA	Internships	We recruit all year round	Yes
Silvester Clark Ltd	3	44	Both days	Structural Engineering	None	Seismic engineering and earthquake resilience Building design and construction Industrial structures (e.g., dairy and meat processing facilities) Sustainable and innovative materials	Internships, Graduate roles	We recruit all year round, We are not sure yet	Yes
Stantec New Zealand	3	27	Both days	Chemical and Materials Engineering, Civil Engineering, Structural Engineering, Engineering Science, Computer Systems Engineering, Electrical and Electronic Engineering, Mechanical Engineering	Computer Science, Data Science, Geographic Information Science	Science	Internships, Graduate roles	We are not sure yet	No
Susquehanna	3	32	Both days	Software Engineering	Computer Science, Physics	Mathematics, Statistics, Business & Economics, Science	Internships, Graduate roles	January, February, March, April, May, June	No
Tetra Pak New Zealand Ltd	3	40	Both days	Chemical and Materials Engineering, Electrical and Electronic Engineering, Mechanical Engineering, Mechatronics Engineering	None	Process Engineering	Internships, Graduate roles	June, July	No
Transpower	3	25	Both days	Civil Engineering, Electrical and Electronic Engineering, Mechanical Engineering, Mechatronics Engineering	Business Analytics, Computer Science, Data Science, Innovation and Entrepreneurship	All	Internships, Graduate roles	March	No
Trimble	3	28	Both days	Civil Engineering, Structural Engineering, Engineering Science, Computer Systems Engineering, Electrical and Electronic Engineering, Software Engineering, Mechanical Engineering, Mechatronics Engineering	Business Analytics, Computer Science, Data Science, Design, Geographic Information Science, Information Systems, Innovation and Entrepreneurship, Logic and Computation	Geography Geology Architecture	Internships, Graduate roles	We recruit all year round	Yes
Unison	4	12	Day 2 - 30 April	Engineering Science, Computer Systems Engineering, Electrical and Electronic Engineering, Software Engineering, Mechatronics Engineering	Business Analytics, Computer Science, Data Science, Information Systems	None	Internships, Graduate roles	August	No
The University of Auckland - IT Intern and Graduate Programme	4	14	Both days	Computer Systems Engineering, Software Engineering	Computer Science, Design, Information Systems	All IT related subjects, Business & Economics, Science	Internships, Graduate roles	We are not sure yet	Yes

Waipapa Raukura Rau - Māori Graduate Programme	4	Pop-up 7	Both days	All Engineering	All: Business Analytics, Computer Science, Data Science, Design, Geographic Information Science, Green Chemical Science, Information Systems, Innovation and Entrepreneurship, Logic and Computation, Physics	Multi discipline	Graduate roles	June, July	No
Organisation	Level	Booth number	Days Attending	Faculties / areas of interest			What type of work are you recruiting for?	Closing date/s for 2025 programmes	Are int'l students eligible for opportunities at your org?
				Engineering	Technology	Other Faculties / majors and subject areas			
Vector	4	Pop-up 2	Day 2 - 30 April	Engineering Science, Computer Systems Engineering, Electrical and Electronic Engineering, Software Engineering, Mechanical Engineering, Mechatronics Engineering	Business Analytics, Computer Science, Data Science, Geographic Information Science, Information Systems	Business services (eg Finance, HR, Law)	Graduate roles	July	Yes
VivCourt Trading	3	35	Both days	All	Computer Science, Data Science	Science	Internships, Graduate roles	We are not sure yet	No
Watercare	3	47	Both days	Chemical and Materials Engineering, Civil Engineering, Structural Engineering, Engineering Science, Electrical and Electronic Engineering, Mechanical Engineering	Data Science	Environmental Engineering. Most sciences.	Internships, Graduate roles	July	Yes
Windcave	3	29	Both days	Civil Engineering, Structural Engineering, Engineering Science, Computer Systems Engineering, Electrical and Electronic Engineering, Software Engineering, Mechanical Engineering, Mechatronics Engineering	Business Analytics, Computer Science, Design, Information Systems, Logic and Computation, Physics	Business, Accounting, Economics, Legal	Internships, Graduate roles	We recruit all year round	Yes
Woods (Wood & Partners Consultants Ltd)	3	37	Both days	Civil Engineering	Geographic Information Science	N/A	Internships, Graduate roles	We recruit all year round	Yes
WSP	3	46	Both days	Chemical and Materials Engineering, Civil Engineering, Structural Engineering, Engineering Science, Electrical and Electronic Engineering, Mechanical Engineering, Mechatronics Engineering	Geographic Information Science	Architecture, Economics, Property, Ecology, Environmental Science, Geography, Urban Design and Planning, Geology	Internships, Graduate roles	We are not sure yet	Yes
