A LITTLE BIRDIE TOLD US...

YOU GOT INTO MED!

If that doesn't deserve a celebration, nothing does.

But let's be real; it probably hasn't set in yet, and you might even be feeling a little nervous.

That's why we're throwing a party. On the beach. For you.

Meet some cool people. Play some fun games.
Feel just a bit readier for the next five years.

Join your cohort facebook group for tickets.
Stay in the loop.

We can't wait to see you, all the best,
Blake and Hugo (@uoambchb28)
