

Congratulations on your entry into Medical Imaging at the University of Auckland!

The Medical Imaging Student Association (MISA) would like to extend our warmest welcome to you as you begin your journey on this exciting degree. We are thrilled to have you join our small yet vibrant community of medical imaging students. Although Medical Imaging is a relatively new clinical course at the University of Auckland, established in 2019, we are excited for you to join us on your journey to becoming a Medical Imaging Technologist!

MISA is a student association established by University of Auckland's own Medical Imaging students and the executive team is composed of Medical Imaging students (just like you!). You will also have the opportunity to join the executive committee in your first year of medical imaging as a Second Year Representative!!

With MISA great opportunities like connecting with Medical Imaging students across all cohorts and being able to explore your leadership capabilities. Keep an eye out on our socials to apply for these roles! Our club is dedicated to supporting and enhancing the medical imaging student experience through our social and professional development opportunities.

Some of these events are as listed;

- Club Steins and Cocktail Nights
- Professional development evenings
- Pub Quizzes.... And much more to come in 2025!

These events will allow you to connect with your fellow students, faculty, and qualified MITs, as well as improve your experience during your journey in Medical Imaging.

At MISA we emphasise destressing and fun as you progress throughout your degree, because work-life-balance is just as important as studying!

Be sure to follow us on our social media to keep in the loop!

- MISA Instagram: @misa\_uoa
- MISA Facebook: MISA Events-Reps
- Email: [misa.uoa@gmail.com](mailto:misa.uoa@gmail.com)

Sign-up to become a MISA member NOW !!! - join us for some great fun you won't regret, sign-ups will be available throughout the year, keep an eye out on social media.

Signing up as a member gives you

- Discounts to Gong Cha, Seoul Night, and many, many more!
- Discounts and exclusive access to events
- Pre-Loved Uniforms, where you can purchase second hand Medical Imaging uniforms at a discounted price.

We are excited to meet you all at Orientation Day, and once again, congratulations on your entry into the Medical Imaging programme.

We can't wait to meet you all and have a wonderful 2025 together!
