## Notes:

- $\Delta$  Some programmes only have one intake per year, please refer to the relevant faculty for more information.
- ♦ Applicants intending to apply for first year pathway to MBCHB should start in Semester One only. There is no admission to the BSc (Biomedical Science) in Semester 2.
- - There is no direct entry to MBChB, BMedImag (Hons), BOptom and BPharm. Applicants for the BOptom must first complete Year 1 of either the BHSc or the BSc in Biomedical Science, or have completed another degree approved by the Faculty of Medical and Health Sciences. Applicants for the BOptom must complete at least one year of study as part of the University's Bachelor of Science (Biomedical Science), including the prescribed core courses, or have completed another degree approved by the Faculty of Medical and Health Sciences. Applicants for the BPharm must complete an appropriate first year programme including the prescribed BPharm Part one courses (or equivalent) in either the Bachelor of Science (BHSC) at the University of Auckland, or have completed another degree approved by the Faculty of Medical and Health Sciences.
- An audition portfolio can include evaluations of one or more recorded and/or live performance elements, please see here for more information.

- \* The Faculty of Engineering will give consideration to students who missed out on admission to BE(Hons) who are able to demonstrate sufficient ability in engineering-related and approved study, in the BSc programme for admission in Semester 2. Please see here for more information. Admission into Semester 2 is by selection subject to availability.
