2024-2025 FACTSHEET

## Nomination

The home university should nominate their students using our **online form**. If you are a study abroad fee-paying applicant please contact [inbound@exeter.ac.uk](mailto:inbound@exeter.ac.uk) directly.

### Nomination Deadlines:

30th April (Semester 1) | 1st October (Semester 2)

## Application

Students must complete an online application, submitting copies of the following supporting documents:

- Official Academic Transcript from the home university (English translation if applicable)
- Copy of their passport ID page (dual nationals must submit a copy of the passport they will be travelling with.)
- Evidence of English language level, where applicable. For more details check our website.

Applications submitted without **ALL** supporting documents will not be processed.

### Application Deadlines:

31st May (Semester 1) | 31st October (Semester 2)

## Academics

**Study Load** Full year: 120 Exeter credits/60 ECTS  
One semester: 60 Exeter credits/30 ECTS

European exchange students must choose 75% of their modules from the department we have the agreement with the home university. Other students must take 50% of their modules within one subject area.

### Course Restrictions

- Psychology courses are only available for Psychology-specific exchange partners.
- Biomedical Science courses are only available for Biomedical Sciences-specific exchange partners.
- Graduate School of Education, Liberal Arts modules (LIB) and Degree Apprenticeship modules are not available.

### Module Availability

Where possible modules will be allocated pre-arrival, but will need to be finalised upon arrival and registration. There is a module change period during the first two weeks of each semester.

## Transcripts

Semester 1 transcripts are sent out in March. Full Year and Semester 2 transcripts are sent out in July. A digital version will be sent directly to the home university and student.

## Finance

Exchange students will have their tuition fee waived. Fee-paying students can find information on tuition fees on the [Inbound website](#).

Living expenses vary depending on lifestyle choices. As a guide, students should budget around £1026 a month to cover expenses.

## Housing

Students cannot apply for university accommodation until their application has been processed.

**Full Year at all campuses:** Students are guaranteed housing if they apply by 31st July.

**Semester at all campuses:** Students are not guaranteed university housing, there are a limited number of rooms available. We recommend that they also research private housing. A list of privately-owned or managed accommodation can be found on the [Accommodation webpage](#).

More semester university accommodation is available in Semester 2

## Visa

**Students who are not British or Irish nationals must enter the UK with the appropriate immigration permission.**

- Visitor immigration permission (6 months duration)
- Student Visa (1 year duration)

Students should research which is best for their situation before they submit their application.
