Printing with Apple Devices

To print from your Apple device you will need to be connected to UoA-WiFi. Information on how to connect to UoA-WiFi are available on our <u>Wireless and Internet</u> page. Connecting to either UoA-Guest-WiFi or eduroam will not enable you to print.

- 1. To print on an Apple device, open the print dialogue for your document by clicking the share icon.
- 2. Then click the Print icon.

3. Tap select printer and select either FollowMe-BW or FollowMe-Colour.
